1. 33/40 Housed (82%)
 - b) Superintendent McNichol reported P165 funding has now closed. Moved remaining funds to VAC budget. Pending
- C. Project 150
- a) NEW ESG-CV Funding from County (Emergency Shelter)
 1. Entry into program will be following guidelines of new HUD/VASH
 2. Discussion:

VAC Staff Tawrel stated normal emergency shelters are full and still operating under lower capacity than pre-COVID19. There is no emergency shelter option for single women. When eviction moratorium is up, those evicted, OR lease not extended will have nowhere to go.

Will County lacks affordable or sustainable units.

Member Blue: Why is housing not being built with funding available. Monee has property they are looking to develop.

Guest Garland Mays: Reviewed that building a multi-family complex is not the same as building a home. COVID-19, though not an excuse, did cause a supply shortage and then a cost increase. Furthermore, building a multi-family unit requires development developers and possibly a needs and infrastructure study to be completed. All take time.

Superintendent McNichol echoed what Mr. Mays said.

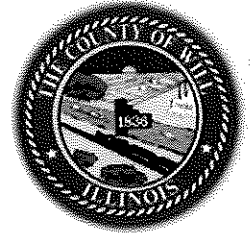

President Picciolo: There are more homeless on the streets right now, and he knows there will be more. Communities need to find a solution. Eviction Moratorium deadline will cause an influx of homeless, and there is no plan in place right now. That is why VAC ESG funding was needed. VAC has a plan.

VI. New Business

- A. VAC intro: Garland Mays, Community Coordinator, Will County Executive
- a) Mr. Mays thanked VAC Board for in-depth discussion on needs in the community. The County Executive Office is working on strategic plans to meet the needs.
 - b) Mr. Mays discussed lack of public transportation in Will CO. County Exec. Team is currently working on revitalizing that program. A press release will be soon.
 - c) Mr. Mays is very aware of housing shortage. He also sits on Housing Authority of Joliet Commission. At HAJ last application process, there were 42 units available; HAJ received over 600 applications.
 1. Further discussion on needs in community.

- B. Hidden Heroes Program, Elizabeth Dole Foundation
 - a) WCB Member Coleman & Freeman participated in Veteran resource discussion at NACo (National Association of County Officials) in Washington, D.C. inquiring on how to get Will County nationally recognized by Elizabeth Dole Foundation.

 - 2. WCB Coleman & Freeman presenting at WCB Legislative Committee @ 9AM today (9/14/2021) to start the process. Goal is to be recognized before 11/11/2021. More to follow next month.

- VII. Old Business
 - A. 1300 Copperfield (New Building)
 - a) At Capital Improvement Committee, WCB members questioned the usefulness of the purchase of the building as a whole. Some WCB members state they would not have voted for the purchase if all parties on the original plan were not going to move to 1300 Copperfield.
 - 1. Some WCB members introduced the idea of selling the property.
 - 2. Will County Executive Bertino-Tarrant advocated for winterizing the building and a continued discussion.
 - 3. Superintendent McNichol will continue to attend WCB Committee meetings and report back to VAC Board.

 - B. DCEO Grant
 - a) DCEO Appropriated funding grant modification was approved in Springfield.
 - b) VAC will receive DCEO funding directly into VAC budget. This should help with spending & reporting timeline. Discussion.
